The Best Distribution Day

Noel Allen from Rotary Club of Swan Valley was present for the meeting. He shared his insight regarding the Bali Kids Distribution Day, on the 8 of August 2009.

“It was the best distribution day we have ever had” he spoke on behalf of all sponsor parents as well as unexpected guests who showed up for that event. The fact that so many parties involved has made the day a huge success.

The cooperation with Fakultas Kedokteran Universitas Udayana , the Women Mobile Clinic of RC Bali Taman in providing free medical check up , Fun Walk with almost 1000 participants and Fun bike had made the event very effective in a fun and educational way. BRAVO for RC Bali Denpasar.

Special thank you for Ibu Ayu who representing the Apotek Dama who provided us with the medication supplies on that day. She reported that there were 470 patients were administered. From medicines distributed, she said majorities' people have problems with arthritis, hygiene, cough and flu, stomach ulcers and other topical diseases.

SPECIAL EVENT:

HAPPY BIRTHDAY PP SURYAWAN

HAPPY ANNIVERSARY NOEL ALLEN & GERALDINE

Meeting adjourned at 01.50 Welldone for Rtn Enny as Seargent of Arm in keeping up with our schedule and time. Till next week.
